## WORDS FROM THE CHAIRMAN

*"The objective of education is to bridge industry gaps by developing skilled, knowledgeable professionals in technical and management fields."*

**Mr. Surendra Mittal**  
Chairman, Mittal Group of Institutes

---

## WORDS FROM THE VICE CHAIRMAN

*"Education and literacy are two different things. Both are important, if you choose one, choose education, because literacy might get you a successful career but education will help you to lead a contented and purposeful life. "*

*Students seeking placements should first grab an available opportunity and then hunt for something of choice, the market is hungry and craving for the ones with skillset, increase your horizon.*

**Mr. Prakhar Mittal**  
Vice Chairman, Mittal Group of Institutes

---

## WORDS FROM THE PRO VICE CHAIRMAN

*"When you find an idea that you just can't stop thinking about, that's probably a good one to persue. "*

**Mr. Parth Mittal**  
Pro Vice Chairman, Mittal Group of Institutes

VINDHYA HERBAL TESTING LABORATORY

## INDUSTRIAL VISIT TO " VINDHYA HERBALS, MFP-PARC"

HANDS-ON INSIGHTS INTO THE HERBAL  
INDUSTRY FOR MIT MANAGEMENT STUDENTS

Department of Management Studies, MIT has organised an industrial visit at "MFP-PARC" to provide our students with an invaluable hands-on experience into the herbal and natural product industry including manufacturing processes, quality standards, consumer preferences, marketing strategies, insight into the role of sustainability and innovation in the herbal industry, operational dynamics.

This visit was informative and aligned with the curriculum, providing MBA students with a valuable perspective on the herbal industry.

We would like to extend our heartfelt gratitude to students and everyone who contributed to making this visit for MBA department a resounding success.

- Special thanks to the scientists and experts at the herbal industry who generously shared their time, knowledge and insight.

# YOUTH FESTIVAL

MIE, Celebrated the youth festival, by organizing the youth festival of BU in the category of sugam sangeet, which was richly appreciated by the coordinator Dr. Koli Shukla and Dean Commerce and Management Dr. Anshuja Tiwari. There were 76 entries from different colleges.

This was possible due to the sincere efforts of Dr. Ankit Jain, Dr. Neela and all the faculty members of our esteemed institute. We were greatly appreciated and the event took place with fair judgement.

MITTAL INSTITUTE OF EDUCATION

# HAPPY CHILDREN'S DAY

14 NOVEMBER, 2024

MIE celebrated Children's Day, the importance of keeping the child alive within ourselves and a preview of Nehru ji's life journey was shared with the students. The importance of happiness within ourselves and spraying around us was emphasized during an interactive session with the alumni and present students

# MIE EDUCATIONAL VISIT TO L.M. BAKERS, MANDIDEEP

20 November 2024

## PARLE- G

Students of Mittal Institute of Education recently visited L.M. Bakers at Mandideep, where they had the opportunity to witness the entire production process of the iconic Parle-G biscuits, from mixing and molding to baking and packaging.

The visit included an informative session on the company's history, operations, and quality control measures, offering students practical knowledge about large-scale food manufacturing and supply chain management.

This hands-on experience helped bridge the gap between theoretical learning and real-world industry practices.

## A Behind-the-Scenes Experience

We extend our sincere gratitude to the administrative staff for organizing the transportation and ensuring a smooth and enriching experience for our students.

**HEY SENIORS.**

## MIP - NATIONAL PHARMACY WEEK, 2024 CELEBRATION:

Mittal Institute of Pharmacy celebrated 63rd National Pharmacy Week, 2024. This year theme for National Pharmacy Week was "Think Health, Think Pharmacy".

A series of impactful activities were planned to celebrate and highlight the pivotal role of Pharmacists in healthcare, which concluded today with organising a health checkup camp. The student volunteers with the guidance of teachers checked height, weight, BP, lung capacity, oxygen level, blood group, etc of incoming people.

The Health checkup was followed by very energetic performance -Street Theatre on social awareness theme. The program was co-ordinated by Ms. Nemat Fatima and Mr Manoj Sahu with the support of all the faculty members.

The programme ended with discussion about how to strengthen and make people aware about Pharmacy profession

## MIE STUDENTS PARTICIPATED IN THE PRATI SPARDHA PROGRAM

Mittal Institute of Education students participated in the Prati Spardha Program on 22 November 2024 and solved general knowledge based questions and also showed writing skills in the essay writing.

This career guidance opportunity encourage students to give them a view in this segment and to develop further the career of their life by understanding the importance of graduation studies.
